5. DECLARATION AND CONSENT - GDPR COMPLIANCE

By signing this application form, I declare that the information provided is true and accurate to the best of my knowledge. I understand that any false or misleading information may result in my application being withdrawn.

In accordance with the General Data Protection Regulation (EU) 2016/679 (GDPR) and the UK Data Protection Act 2018, I hereby consent to:

- The collection, processing, and storage of my personal data by Java Institute for Advanced Technology and Birmingham City University for the purpose of admissions, academic delivery, and regulatory compliance.
- The transfer of relevant data between JIAT and BCU, and where required, to educational regulatory bodies.
- The retention of my data for academic record-keeping, alumni contact and publication purposes, and for employment opportunities from industrial partners in accordance with institutional data retention policies.

Signed by the Learner

- I have read and understood the data protection policy and I give my explicit consent for

my data to be used as described above.

- I understand that registering for the university for the Bachelor's qualification by submitting my application form is dependent on fulfilling the university and Java Institute's selection criteria, university payment status and successfully satisfying all academic and assessment requirements, as well as any additional criteria set forth by the university and/or Java Institute
- I further understand that, in addition to submitting my application form, I will also be required to sign an Enrollment Agreement.
- I hereby declare that all the information given above is true and correct to the best of my knowledge.
